

Sokol Blosser Rewards Program

a cellar club exclusive

It's our pleasure to serve you our wine, hospitality, and now, rewards.

Earn even more perks as a Cellar Club member with each purchase.
The more you purchase, the bigger the reward.

How it Works

- STEP 1 Become a Cellar Club member in order to be enrolled into our rewards program. You'll automatically earn 200 points just for joining!
- STEP 2 Purchase wine. Each dollar spent on eligible purchases converts to one point. (Yes, your twice-yearly collection counts!)
- STEP 3 Log in to your account at SokolBlosser.com or call us to check how many points you have accrued.
- STEP 4 Earn 400 points to redeem your first reward or target a bigger offering.
- STEP 5 Call or email us to arrange your reward redemption... and enjoy!
- STEP 6 Accrue more points for your next reward.

Eligible Purchases

Purchases with Sokol Blosser Winery are eligible for points, with the exception of payments toward third party vendors, tax and shipping.

Special Offers

Every so often, we'll offer bonus reward periods where we may double, or even triple, points for purchases. Other times, we may offer points for purchases that aren't wine bottles or merchandise. Look out for these offers in your email or when you are in our Tasting Room.
